RE: *United States v. Allison Angarola*, 24 Cr 23 (DEH)

Dear Judge Ho:

I am writing to request that the Court amend the conditions of Ms. Angarola's release to allow travel to the District of New Jersey. Ms. Angarola has extended family in New Jersey that she would like to visit, and her daughter travels through Newark, NJ on her trips home and Ms. Angarola would like to pick her up and drop her off at the airport whenever possible.

Neither pretrial nor the government has any objection to this request. Ms. Angarola has been fully compliant with the conditions of her release.

Respectfully submitted,

/s/
